

Tinton Falls Recreation

in Conjunction With

SEAS Monmouth

will be offering a

New Jersey Boat Safety Certification Course

The State of New Jersey requires everyone operating a motorized vessel (this includes sailboats operating under power) to have a Boat Safety Certificate.

Classroom sessions are designed to provide an overview of boating terminology, legal requirements, navigation rules, and general safety information. SEAS classes and exam for the Boat Safety Certification meet the requirements set by the State of New Jersey. The Boat Safety Class is eight hours of classroom instruction (including the test) or two evenings – 3 hours each of classroom instruction plus homework and 1 hour for the test .

For additional information on the new law, check out
