RE: Resolution Authorizing On-Line Auction

We advertised for receipt of Proposals for the sale of surplus screened compost to be received on Friday, May 21, 2010 at 11:00 AM. Two proposals were sent out; however no proposals were received.

We would like to try a Public On-Line Auction sometime in June to see if there will be more interest. A Resolution is attached authorizing the sale of the screened compost by an on-line auction. A date has not been determined as of yet, but we would like to have it on-line by the end of June. Thank you.
