What special skills do you have? _____

 **Think of the library as a puzzle. Help us to know where you'd fit in best!
 Check all that apply or add your own:**

- Work with the public at the circulation Desk. This is physically demanding, requires excellent compute skills and multi-tasking. Perfect for a "people" person.
- Straighten and shelf books. We circulate about 65,126 items per year, so you can imagine how hard it is to keep things organized.
- Small decorative or maintenance projects. Are you a handy-ma'am or man?
- Sort donated books for our book sale. You get to see all the treasures we receive before anyone else!
- Assist in different programs for children or teens. Exercise your imagination.
- Bake, donate a plant or help in other ways with our annual bake and plant sale. Show us your green thumb!
