

TINTON FALLS OPEN SPACE REGULAR MEETING

November 8, 2010

The regular meeting of Tinton Falls Open Space Committee was called to order at 8:00 by Frank DeVita on Monday, November 10, 2010.

Present: Frank DeVita, Cindy Anderson, Elizabeth Oltman, Robert Markoff, Doug DeVincens, Andy Mayer and Maureen Forsman

Absent: Guy Buck, Jeff Stratton, Herman Silbiger, and Duane Morrill

October Minutes were approved first by Doug DeVincens and second by Maureen Forsman with the small spelling changes.

Subcommittee Reports

Council Report: None

Old Business: The Garden Committee will discuss at the Council Meeting on November 9th the idea of the 2nd garden on Riverdale West. They will give the full presentation to council. We should continue to look for properties on the south end of Tinton Falls for future gardens, perhaps working with an existing farm owner.

One area of land that is possible to be used is the land behind the new WaWa where the the COAH units are slated to be built. The land will not be used by the solar farm.

Swimming River Road Plan with the County ~ Doug will follow up and get more information from Mr. Harmon.

New Business: The State has money for a Natural Recreation Trail Plan. We should use the old plan from behind the falls (existing plan on file). The application is due on 12/15; Andy & Guy will complete it and get it in on time.

An Achievements report needs to be put together for 2010 along with a Goals report for 2011 for a Council presentation.

Need to speak with the Trust for Public Land Manager, Dene Lee about different parcels of land throughout the south end of town.

Open Space Walks:

Next walk scheduled for Sunday, November 14th @ 10 starting at the Crawford House and moving around to Riverdale West.

Adjournment: 9pm first by Frank DeVita and second by Doug DeVincens

Next Meeting will be held on Monday,

Respectfully Submitted,

Cindy Anderson, Secretary
