Crawford House bat remediation the bug spray has done and the bat cone (trap) is "complete." The Commission had a fund of \$12,000 in 2012 – 2103, from which the bat remedy and other interior improvements have been drawn upon. Ranney seniors visited the Crawford house built a raised bed, maintained the paths, and worked on blending ceiling patches. The banks of the Pinebrook stream were policed. **Crawford House Goal:** Painted interior by fall. However, the trim must be completed first. Stacey contacted Ira Matthews to begin the work.
