The Tinton Falls Police Department PBA 251 is holding it's annual golf tournament on October 2nd 2009 at the Pebble Creek Golf Course. The purpose of the outing is to raise funds for the beneficial programs that the local is involved in. The P.B.A. has been a staunch supporter of the Tinton Falls Recreation, the Tinton Falls Municipal Alliance, the Tinton Falls Students Against Drunk Drivers and other worthwhile causes. In addition, the Local provides for two scholarships for graduating Monmouth Regional students who are interested in entering law enforcement. As you can imagine, these programs cost money. Community support is vital to maintaining and expanding these programs. We are asking members of the community to help by sponsoring the various holes on the course. Professionally made signs will prominently display your business or organization's name. It's great advertisement and a way of showing your support for our community. Thank you for your support. The costs are listed below:

\$500.00	Gold	Exclusive Display at hole
\$250.00	Silver	Up to 3 displays at hole
